What is Global Navigator?

Global Navigator?

What is Global Navigator?

Worldwide health insurance and services for career missionaries and volunteers.

The Global Navigator health plan meets the needs of missionaries and volunteers by offering comprehensive worldwide benefits—inside and outside the U.S.—without the typical limits, eligibility conditions and benefit exclusions common among traditional plans. Unlike plans that limit furlough coverage, Global Navigator covers stateside tours of any length, delivering the continuity and convenience of benefits that are truly seamless, portable and renewable. Global Navigator is the premier health plan for missionaries and volunteers because it combines these benefits with concierge-level medical assistance and easy access to an elite community of carefully selected hospitals outside the U.S. and a network of over 700,000 doctors and hospitals inside the U.S. Global Navigator gives missionaries and volunteers peace of mind, knowing they always have the freedom to access top medical care and benefits no matter where their ministries take them.

Global Navigator Features **HTH Worldwide's Global Health and Safety Services** — Because insurance isn't enough.

What good is insurance if you can't find a doctor you can trust?

HTH Worldwide provides all the tools a Global Navigator needs to manage health and safety risks, including finding the right doctor and clearly communicating your medical condition.

Easy Access to an Elite International Provider Community

HTH's expanding International Provider Community of over 6,000 carefully selected medical providers covers almost every country of the world. Because of HTH's rigorous selection criteria, less than 2% of providers outside the U.S. qualify to participate. Representing more than 100 specialties and subspecialties, the Provider Community database is searchable online to review detailed profiles of each provider.

Participating doctors, dentists and behavioral health professionals are English-speaking and individually contracted to schedule outpatient visits via HTH's online request service and to accept payment directly from HTH.

Global Navigator members are always free to choose any medical provider outside the U.S. without incurring a financial penalty.

The Freedom to Access Care in the U.S.

Global Navigator members also gain access to a contracted nationwide network of over 700,000 preferred providers, including more than 4,000 hospitals. The plan also covers care delivered by non-contracted providers.

Emergency Evacuation and Centers of Excellence

HTH coordinates emergency services with a worldwide network of contracted Physician Advisors as well as air ambulance operators selected for their safety records. Members in need of life-saving medical intervention are treated in Centers of Excellence in the U.S. and around the world whenever possible.

Around-the-Clock Assistance Call Center

HTH maintains a 24/7, toll-free call center to assist Global Navigator members with everything from routine requests to medical emergencies. HTH staff has years of experience with international medical assistance and has close working relationships with its International Provider Community.

Unsurpassed Member Services

Appointment Scheduling and Direct Pay—Paperless, Cashless, Convenient

Using the web, the telephone or a web-enabled cell phone, members can request appointments with doctors and hospitals who participate in HTH's International Community. When making appointments, HTH arranges to pay the doctor or hospital directly. HTH even waives the deductible if a member sees a participating physician.

Personalized Recruitment—Meeting Your Needs and Expectations

If members need a physician in a location not currently covered by HTH's International Community, HTH makes every effort to recruit an appropriate, qualified doctor.

Well Prepared and Informed Choice—To Get the Care You Need

Members can create a Well Prepared personal web page to store search results for physicians, drug translations and more. If members experience unanticipated medical problems, they can request local, regional or global treatment alternatives through the Informed Choice service.

mPassport®—Vital Information in the Palm of Your Hand

Members can locate emergency services, search for a doctor, hospital or pharmacy, translate drug brand names and key medical terms and receive up-to-the-minute health and safety alerts from their web-enabled cell phones via HTH's mPassport service.

How to Apply

Applications are available online or may be initiated by telephone or email. **See back cover for details.**

A personal check, money order or credit card number must accompany the application and must be sufficient to pay for one month of standard premium. HTH will hold the form of payment until an underwriting decision is made. If your application is accepted, the payment will be applied to your account. Quotes obtained online or by telephone are advisory only. Actual premium is determined by the medical underwriting process.

HTH Worldwide will review your medical history as provided on the application and may request an Attending Physician's Statement. HTH publishes standard premium rates for non-smokers. Smokers and other applicants with certain medical histories may be offered a policy at a higher rate. Not all applicants will be accepted. Your effective date of insurance will be on the 1st or 15th day of the month following underwriting approval.

Member Welcome Kit

When your application is accepted, HTH Worldwide will mail you and any family members covered under the plan a Welcome Kit with identification cards, a certificate of insurance and instructions on how to register online to use HTH's Global Health and Safety Resources. Procedures for filing a claim or requesting direct payment of participating providers will also be included.

Eligibility

Global Navigator is designed for extended living abroad. You can choose to enroll in a new plan when your existing plan expires. When you do, there are no medical questions and premium rates do not change based on your individual claims history. Your new rate will be the same as all persons covered in your rating class.

1. The last day of the month after the date the Insured Person is no longer eligible;
2. The end of the last period for which premium has been paid;
